Dear Harold,

Our publication schedule is in no way influenced by C&G and Harry. I'm sorry you think so

1) Whitewash

It has been further delayed to again redo the cover to your specifications. It will be published in February as

selections from
Whitewash

Selections will not be in the same type face size as Whitewash but will be above it.

The book will include your biography & a list of titles available from you.

2. Hoop

We want to call this Core Opened
Am I authorized to edit it as I see
fit. If you agree it will be
published in May. If not we
should not publish it because it
is very repetitive

3. Never Again

It is not scheduled. But
we hope to publish in September '94
If you can find someone to publish
faster please do so.

I am annoyed at your
destruct & would rather publish
none of the above than be to subtle
subject of it.

My best wishes for better health
& strength

Richard
